Check out – This is not an inlet specific tournament. There will be no visual checkout however, **an image of the release card provided at the Captain's Meeting along with a timepiece (cell phone or GPS) showing any time between 7:30 and 8:00 am will be considered checkout.**

Lines in – Saturday, Dec 2, 2023 at 8:00AM

Lines out – Saturday, Dec 2, 2023 at 4:00PM

Comms – This will be a phone in tournament. Phone numbers for the committee office will be provided at the captain's meeting. **All tournament comms between tournament boats will be on channel 74.** (*Subject to changes)

Cameras and Procedure – Cameras must start with an image of the release card provided at the Captain's Meeting along with a timepiece between the times of 7:30AM and 8:00AM (This will be considered checkout). Accepted timepieces are GPS, VHF or Cellular devices. **Billfish must be identified via video only.** The Fish must be leadered/released safely, then video of the angler holding up the catch card and stating the release number must be provided before next fish is submitted. In the case of a multiple hookup, releasing all fish before stating the release number is permitted. There must be no break from identifying to release of billfish. Camera footage must be uploaded via the tournament App (by Reel Time Apps) **no later than 8PM.**

Camera footage becomes property of the tournament. A cell phone may be used as long as video is consistent with all other rules requirements. Contact the committee office to notify if a change is being made.

Hooking Fish – Each eligible fish entered in this tournament must be hooked and caught by a single angler. No person may hook a fish, or assist in hooking a fish then pass a rod to another angler. If multiple strikes occur on separate lines, and if a single angler is capable of hooking and catching more than one of the fish without the assistance of any other person, then each fish may be eligible for entry by such angler subject to the other rules of this tournament. The use of a rod holder to hook a fish is permitted provided that no person other than the angler who ultimately enters the fish touches the rod or reel once the fish is hooked. If the main line or double line is touched by anyone other than the angler the fish is considered disqualified. Mate can “pop the ring out of the clip” and shake weeds off the main line.

Release – A “Release” is official once the mate touches the “Leader” material and cuts the leader. **Tipping is not considered a release.** In the event a fish is completely wrapped in the leader, the fish will count as a release if it is within touching range of the handle end of a gaff, tagging stick or extendable brush handle. **DO NOT GAFF THE FISH!!!**

Final 15 mins – **The final 15 minutes of the tournament ALL billfish hookups must be called/texted in.** In addition, all video in the final 15 mins must start with a time stamp at hookup to insure the fish was hooked before lines out.

Catch Cards – Cards must be filled out to match with the confirmation number and time provided by the Release Committee. Incomplete or improperly completed cards may be rejected by the tournament committee. A photo of the release cards must be uploaded to the Tournament App/Text with release videos no later than 8PM. **Any cards uploaded after 8PM will be disqualified.**

Scoring – All billfish count as 100 points. Time will determine the winner in the event of a tie.
